SCHOOL PHOTOGRAPHS – Friday 2nd February 2018

The photographer will be in school to take photographs of the children on **Friday 2nd February 2018**.

Children will be photographed either individually **or** in family groups but **not both**.

Please return the slip to the **eldest child's class teacher**. This needs to show the names of all children to be included and their class teachers. For children in the nursery it must also show whether they attend in the mornings or afternoons.

Please indicate whether you would prefer a family photograph or whether you would prefer your children photographed individually.

Thank you.

Please note:

- As we have to complete the photographs in one day it will not be possible to photograph babies and toddlers who do not yet come to school.
- Should your child be ill on the day of the photographs, they will be **unable** to have their photograph taken.
- **School Information Management System (SIMS)**
 A photograph of your child will be stored on our School Information Management System (SIMS).
