Snow

Dear Parents,

It seems likely that the cold weather and snow will last for a few days yet. There may be times when we can allow the children outside for some fresh air, exercise and to play with the snow.

If children are to go outside it is essential that they have suitable warm clothing and a change of footwear.

If you wish your child to be able to join in outdoor activities in the snow they should bring a warm coat, gloves and a pair of Wellingtons (please write your child's name inside) or flat shoes as well as a pair of shoes, PE shoes or trainers to change into when indoors. Children who do not have a change of footwear will not be allowed to go outside during the day.

If children prefer to stay inside during the snow this will be possible.

We also ask you to ensure that your children do not throw snowballs inside the school grounds before or after school. Snowballs can easily hurt those they hit.

We will do our best to keep school open during the cold weather.

Mrs S Thorpe
Head Teacher
