

**At Whinney Banks we want our children to:**

**Be Brave –**

**Understand that making mistakes and taking on new challenges helps you grow.**

We will have the resilience to welcome new challenges and learn with a positive mindset. We will see mistakes as an opportunity to grow and become confident in who we are without fear of failure in a safe and supportive environment.

**Be Kind –**

**Know how to be a good person and think of others as well as yourself.**

We will understand the importance of kindness. Our actions and words impact on others and ourselves. Through the actions and words that we choose, we will show kindness, empathy, compassion and respect to everyone.

**Be Strong -**

**Understand how to look after your body and mind.**

We will develop strong minds and bodies by learning the importance of leading a healthy lifestyle. We will learn how to look after our own mental health and to show empathy towards others. This will give us the tools to succeed in life and rise to any challenge.

**Be Proud -**

**Take pride in your learning and make a positive contribution to the Whinney Banks team.**

We are proud of who we are and what we do. To be the best that we can be, we take pride in our learning, our choices and our role within Whinney Banks.

**Aim High -**

**Know that good things happen when you stick at something and when you work hard.**

We will embrace a range of high-quality opportunities and experiences that will allow us to develop resilience, stamina and a love of learning. We will approach challenges with positivity, know that learning has no limits and develop a passion for life-long growth.
