

Communication and **Language** is very important for my development.

Being able to talk and communicate with other people, explain my ideas and share my thinking will help me build confidence and succeed in all areas of learning.

Please help me to do the activity on the back of this card so that I can practise these skills.

Activity

Say the rhyme below with me. use a different voice for the doctor.

*5 little monkeys jumping on the bed,
One fell off and bumped its head,
Mummy/Daddy/Nana called the doctor and the doctor said,
'No more monkeys jumping on the bed!'*

Encourage me to jump and act it out. You can join in with me too!
