Our WB Play Charter

At Whinney Banks, we all share a responsibility to make playtime fun, safe and enjoyable for everyone! We agree to:

Choose our play freely

We explore, imagine and create our own fun.

Play safely

We follow zone rules and keep ourselves and others safe.

Listen to one another

Everyone's voice matters.

Include everyone

We invite others to join in and play together.

Respect and encourage each other

We build each other up and celebrate success.

Show kindness

We use kind words and actions at all times.

Take responsibility

We are responsible for our actions and choices

Ask for help

We speak up if we need support.

Share resources

We take turns and play fairly.

Care for our environment

We look after our equipment and keep our space tidy.

'Great play happens when everyone feels safe, included, and happy!'
