# WB Sponsored Event

On Thursday 5th November 2026, children from Reception to Year 6 took part in an exciting, sponsored bounce event using space hoppers.

The event aimed to raise funds towards purchasing new play resources, including equipment such as bicycles, to further enhance our OPAL (Outdoor Play and Learning) provision and make playtimes even more enjoyable for all children.

The children had a fantastic opportunity to have fun and contribute towards improving their outdoor play experiences.

A huge thank you to everyone who contributed and helped make the sponsored bounce a success. Your generosity and continued support will help us provide exciting new resources and create even more opportunities for active, creative and enjoyable playtimes for our children.
